- A total ranking is done if a minimum of two single competitions has successfully been performed.
- To get counted for the Trophy „WCS-TOTAL“ a team must always use the same Team Name on each competition! There is no restriction on changing the team members.
- Points are awarded after the tie-break rule of IPC CR 4.4.5. or 4.4.7. has been applied.
- On equal total points, the number of participated competitions is counted, where a point ranking was reached, thereafter the better single ranking in one competition applies.
- Per winter season up to four (4) competitions are held. The appointment is done by the "Para-ski-WCS Organiser Group"
- Challenge Trophies male/ female eagle will be handed over to next winner regardless how often a champion has won it.
